BRIDAL PACK

Hair & Make-Up Artist

Welcome

I'm flattered and humbled that you have considered me as a vendor for your upcoming wedding. I have prepared this bridal pack for brides-to-be as a way to help get to know me and my services a bit better.

I'm aware that preparing for a wedding can be both exciting and overwhelming, so I'm hoping this pack helps you in your journey.

ABOUT ME

My style is natural, polished and classic. I love glowing fresh skin and a simple but effective eye. My work is designed with the client and the camera in mind so that your makeup is captured beautifully.

I believe that every person is unique, and deserves a hair and make-up experience tailored to them. Make-up is an art form, and everyone's face is a canvas. I aim to enhance my client's features, and connect with them in a way that allows them to leave my chair looking and feeling like their best self. Make-up should be relaxing, exciting, fun and empowering.

ABOUT ME

After completing my training, I began my freelance career. My work extends from bridal, to advertising, commercials and broadcast television. My work has taken me to beautiful places in New Zealand, as well as across the globe to the United Kingdom.

My previous work with clients includes brands and companies like Briscoes, MediaWorks, Māori Television, Discovery/TV3 and the All Blacks and Black Ferns Women's Rugby Team.

I have worked on various music videos, theatre shows, and short films and with NZ's leading broadcasters, performers and athletes.
